# GLASS NUGGETS

## Glass Nuggets

### Small

Size: 10-15mm  
Approximate quantity per 100gm pack: 40

### Medium

Size: 15-20mm  
Approximate quantity per 100gm pack: 20

### Large

Size: 30-40mm  
Approximate quantity per 100gm pack: 5

Glass Nuggets are rounded 'blobs' of glass that can add character and highlights in your glass work or can be simply used as decorator pieces. Due to the way these pieces are manufactured each nuggets size and shape varies slightly. Glass nuggets are sorted into 3 sizes, Small, Medium and Large. The sizes and quantities per pack mentioned are approximates only.

### Ordering Glass Nuggets

The table below can be used as a reference for ordering glass nuggets by code.

The codes are made up of Size (3000 = Small) Colour Code (6 = Clear) and the Type (IR = Iridized) e.g. 30006IR is a small clear iridized.

Standard type nuggets are transparent. All nuggets are sold in 100gm packs.
