

Tudor Rose Glass Works - Classes & workshops Term 2/3

To book and pay go to <https://tudorroseglassclasses.as.me/>

Leadlight weekend - \$250

Over two days (one weekend) you will learn the major aspects of this ancient craft as you cut and build your own small window. At the conclusion, you will have enough skills to continue at home if you choose. Most tools are supplied except a glass cutter. You will need to purchase your glass and lead, and this can be arranged at the class.

For beginners and experienced students

Sat 3rd & Sun. 4th July 9.30 am – 4.30 pm each day

Sat 28th & Sun. 29th August 9.30 am – 4.30 pm each day

Sat 2nd & Sunday 3rd October 9.30 am – 4.30 pm each day

Introduction to Tiffany (copper foil technique) - \$155

You will have the choice to make a hinged box or an open container or suncatchers to hang in your window. You will learn glass cutting, foiling and soldering and you will walk away with a beautiful creation for your home or as a gift. At the conclusion, you will have enough skills to continue at home if you choose. (Tiffany lamp shades can be made during the the lamp class)

Sat 18th September, 9.30 am – 4.30 pm

Glass Fusing and Slumping (beginners plus previous students) - \$ 160

During this one-day course you will complete three small projects – a slumped glass platter, a tile or small coloured bowl or plate, and some jewellery. Basic materials are supplied but some students choose to purchase some additional coloured glass and make extra projects.

For beginners and experienced students

Saturday 19th June 10 am – 3 pm

Sunday 19th September 10 am – 3 pm

Story blocks and decals - a fusing extension class \$195

Tell the story of a significant moment or honour a special person by making a cast glass block using your own photographs. Images of your choice are transferred to the glass with simple decals that give a sepia look. Highlighting colour can be added. The image block will use 4-5 images on multiple layers to build a story with depth. There will be a chance to also make jewellery plates and other objects as time allows.

For beginners and experienced students

Sat. 16th & Sun. 17th October, 10am – 2.30pm each day

Glass Mosaic Clock - \$115

Make a beautiful and useful mosaic glass clock. A full kit with everything you need (including the clock workings) will be supplied, as well as feature glass pieces to make the clock uniquely yours. will be supplied. Four base colours available – blue, brown, green and pink.

For beginners and experienced students

Sat. 8th May 9.30am – 2pm each day

Lampshade weekend - \$235

Choose from one of four simple patterns supplied to make your beautiful copper foil light shade in the glass of your choice. Everything is supplied for the shade except the glass which should cost between \$65-90 and a glass cutter (both are available at the studio). At the conclusion, you will have enough skills to continue at home if you choose.

For beginners and experienced students

Sat. 14th and Sunday 15th August 9.30am – 4pm each day

Continued over page...

Family fun – mosaic pot with succulent - \$170 (adult and child)

The fee is for two people, one adult and one child over 10years old. You will both mosaic a terracotta pot for a succulent which you will get to pot up at the end of the session. Everything is supplied for a creative day of fun together.

For beginners and experienced students

Sat. 26th September 9.00am – 2pm

Open studio sessions - \$75/ day

This is a chance for you to make a project of your choice using the facilities at the workshop and with Merinda on hand for advice. The sessions are self-directed and intended for people who have done a beginner course in leadlight, foiling or fusing and who have a specific project they wish to work on. The fee is for studio use and access to basic hand tools except glass cutters. Glass, solder, lead, kiln firings and access to bigger equipment will cost extra. You are welcome to come for one day or both days. (If you choose both days you will need to book both when you enrol.) 5 people maximum each day.

For students who have done a previous leadlight, foil or fusing class

Session 1 - Sat. 10th July 9.30am – 3pm

AND/ OR Session 2 - Sunday 11th July 9.30am – 3pm
